Meeting Minutes

1. *Call to Order*: Pete calls the meeting to order at 10:03am
2. *Approve minutes from committee meeting on Friday, June 11, 2021, at 10:00 am*: Pete makes a motion to approve the minutes, Ned seconds and all vote in favor.
3. *Bikeway route analysis report: Vote to approve and send to Selectboard*: Rebecca makes a motion to approve the Bikeway route analysis report, Christie seconds, (public availability is discussed - the report will be available in the Selectboard read packet on Monday and the town website), and all vote in favor. A community member inquires about whether the committee took the National Seashore feedback into account. Pete responds yes, National Seashore inputs were factored into the scoring. Pete explains that the overall analysis includes all route alternatives, both inside and outside the Seashore boundaries, which were proposed to the committee. The report's recommendations are focused on two alternatives: 1) the highest scoring alternative that would proceed through the National Seashore and 2) the highest-scoring alternative that avoids the National Seashore.
4. *Adjournment* – Pete makes a motion to adjourn the meeting, Ned seconds, and all vote in favor. Meeting is adjourned at 10:15.
