

*Find out how Historic New England helps preserve privately owned properties*

<https://www.historicnewengland.org/preservation/for-homeowners-communities/>

With a century's worth of experience in historic preservation, Historic New England has the expertise to help you protect the unique character of your house, whether it was built in 1750 or 1950. The [Preservation Easement Program](#) and [Historic Homeowner membership](#) are two important ways that Historic New England works to preserve privately owned historic homes. Explore our [knowledge base for homeowners](#) or find [preservation resources](#) in your state.
